## **Meeting Notice**

### **Industry-Based Survey for Gulf of Maine Cod**

The Massachusetts Division of Marine Fisheries (***Marine Fisheries***) has been awarded a contract to implement an Industry-Based Survey for Gulf of Maine cod. We are currently seeking proposals for industry support from vessels and trawl net builders. Two public informational meetings have been scheduled to answer questions regarding the survey and the Commonwealth of Massachusetts Request for Response (RFR) process. On May 14, 2003 a meeting will be held from 2:00pm to 5:00pm at the **Annisquam River Marine Fisheries Station in Gloucester, Massachusetts**. A second meeting will be held on May 15, 2003 from 2:00pm to 5:00pm at the **Casco Bay Ferry Terminal in Portland, Maine**. For directions to the ferry terminal please visit <http://www.cascobaylines.com> or call Casco Bay Ferry Terminal at: (207) 774-7871. For project-specific and RFR information, as well as directions to our Gloucester facility, please visit our website: <http://www.state.ma.us/dfwele/dmf/>. If you are interested in participating in the meeting, but are unable to attend or have any other questions concerning the survey please contact Bill Hoffman at (978)282-0308 ext.106, [Bill.Hoffman@state.ma.us](mailto:Bill.Hoffman@state.ma.us)
